President's Message

As I began my last newsletter, we were in the middle of a rainy early summer. Now, here we are wrapping up October, and after a warm and dry September, I know we are all thankful for cooler weather and rain.

In recent months, we held our family social event at the Rangers ballpark. This event continues to be a favorite, with families coming together to enjoy a fun afternoon of baseball. In August, Iron Horse hosted our Summer Scramble, and even though it rained, that didn't stop us from having a great tournament. Special thanks to Stephen Fox for making it happen and United Ag & Turf for being our sponsor. We also just wrapped up a successful fall education event at Scottish Rite. The board voted to donate another \$5,000 to Scottish Rite this year, in honor of Quinton Johnson, who passed away last month. Quinton was a former Superintendent at Brookhaven and was instrumental in developing our relationship with Scottish Rite. We also recently held our annual meeting at Grapevine Golf Course. Many thanks to Merlin and his team for always generously offering their course to us. It's always a fun day of golf, and while we typically get to enjoy the crisp fall air, this year was a warm one!

One of our most anticipated events of the year is our upcoming Scholarship Tournament, where we raise the majority of funds for our Legacy scholarships. This year's tournament will be held at Shady Oaks, and I have no doubt Justin May (Mayo) will have everything ready for us to tear it up! We are always looking for donations for our silent auction, so if you have anything you would like to contribute, we would greatly appreciate it. A couple more events to round out the year include our Crew Championship at Tenison, and another Equipment Managers meeting, hosted by Turf and Soil.

The NTGCSA board has also been working on a couple of important initiatives this year. One of those is establishing an endowment fund for the association, which will provide a sustainable income source over time. Once the principal amount is reached, the earnings will help support the organization's mission and ensure long-term financial stability. Another initiative is the creation of the Mike Upchurch GCSAA Show Scholarship. This scholarship honors Mike, who helped many people attend the show, often using his own money. The board felt this was a fitting way to continue his legacy. The scholarship will cover up to \$3,500 max of reimbursable expenses.

Lastly, as the year comes to a close, I want to thank all the members of the board who have helped shape this association into what it is today. I also want to extend my gratitude to all our members and sponsors.

2025 Approved Bylaw Amendment

For the past several years the NTGCSA board of directors has discussed and worked towards developing an association endowment fund. The below bylaw endowment was presented at the NTGCSA Annual Meeting on October 21 and was approved with a vote by membership. The fund shall be used for education, research and member support as noted below.

ARTICLE XV ENDOWMENT FUND

SECTION I. CREATION OF FUND

There shall be an Endowment Fund which shall be created by allocating an amount up to 50% of the annual NET proceeds raised from annual NTGCSA business as decided upon by the board of directors until the fund shall be equal to the sum of One Hundred Twenty-Five Thousand Dollars (\$125,000). The fund shall be grown over a period of time required to reach a balance of \$125,000, with no withdrawals. Once withdrawals commence, amounts shall be chosen so that sufficient funds are remaining for the fund to continue. Withdrawals and the amount of withdrawals shall be proposed and voted on by the Executive Committee of the NTGCSA Board of Directors. The Executive Committee shall consist of the Chapter President, Vice President, and Secretary / Treasurer.

SECTION II. USE OF THE FUND

The purpose of the endowment fund shall be to provide a sustainable source of income for the NTGCSA over time. Once the principal amount has been achieved, the earnings will help to support our organization's purpose and ensure financial stability in the long-term.

The fund will be used for education/research, reinvestment in the membership such as: scholarships, hardship and or charity as decided upon by the Executive Committee.

In extreme financial circumstances detrimental to the chapter, the executive committee must get full board approval to use these funds, waiving the no withdrawal clause prior to reaching, or after reaching the balance of \$125,000.

SECTION III. MANAGEMENT OF THE FUND

The fund shall be managed by a professional fund manager to enhance financial gains and opportunities with minimal input from the Board.

GCSAA Nutrient and Pesticide Management Survey

GCSAA's Golf Course Environmental Profile surveys are very important to the profession and industry. The NTGCSA encourages all superintendents to participate in the fourth major Golf Course Use and Conservation survey.

Your participation will continue to enable advocacy efforts, as well as provide resources to help superintendents succeed.

It is crucial that everyone participate in this survey to adequately represent all locations and facilities. Check your email for a survey link and be sure to complete the survey before the deadline of November 10, 2025. Everyone who completes the survey in its entirety will automatically be entered into prize drawings. There will be four \$500 prizes drawn per survey. In addition, GCSAA members will be awarded 0.50 service points for their participation. Individual survey responses will not be disclosed or used by GCSAA and results will only be published in aggregate.

Scholarship Tournament Needs

The NTGCSA Scholarship tournament at Shady Oaks Country Club in Fort Worth is just a few weeks away and we still have hole sponsorships remaining! Hole sponsorships are \$300 and feature sponsor signage on the sponsored hole. Reach out to Shannon to sponsor a hole today!

We are also still in need of auction items. Last year our silent auction raised a record of nearly \$8,000, helping fund scholarships for deserving North Texas students. Reach out to Shannon or a board member if you have an item to donate.

This year's tournament is sold out and we are on a waiting list. Be sure to pay your invoices as soon as possible, or let Shannon know if you won't make it so we can work in some of those still hoping to play in this year's tournament.
